

GreenStep Impact Report 2024-2026

Outcomes, participant profile, employer involvement and lessons from the first three GreenStep cohorts.

Cohorts	Three demonstration cohorts focused on practical employability.
Employers	Structured participation in work exposure and interview preparation.
Learning	Delivery lessons for future programme design and evidence collection.

This report contains fictional demonstration content prepared for the Tavra Group website theme. It is not an audited disclosure or a statement of actual performance.
